

**MNCT – 13/07
September 2013**

**MIDLOTHIAN NEGOTIATING COMMITTEE FOR TEACHERS
MNCT Leave**

As has been indicated previously in 2012, leave arrangements for those employees who fall under SNCT conditions differ from those of other Midlothian Council employees. Additionally under the terms of devolved decision-making to the MNCT, other elements of leave can be agreed locally.

The attached agreement has been revised to take into account the national revision in parental leave. There has been no other change. The application form issued in 2012 with MNCT 12/03 should continue to be used for those employees who fall under the terms of the SNCT Conditions of Service Handbook.

Head Teachers/line managers are asked to ensure that a copy of this revised agreement is given to all relevant staff within the establishment and that employees know where to find copies of the appropriate application form.
