

## **Aberdeen City LNCT**

### **Agreement on the configuration of Inservice days.**

**An INSET day should not be longer than the normal school day on which it is scheduled. Any decision to reconfigure the day (e.g. a shortened lunch break to allow an earlier close) should be made collegiately, whilst also taking cognisance of the personal circumstances and responsibilities of individual staff members. Lunch breaks must, however, be a minimum of 20 minutes.**
