SNCT 26/111**Rounding of Salaries**

Dear Colleague

The [SNCT Salary Tables](#) published in Part 2, Appendix 2.1 of the SNCT Handbook states under the administrative note “Each annual rate of salary shown has been increased or reduced to the nearest multiple of £3.”

This rounding is undertaken at national level to maintain the integrity of 1/12th salary for teachers.

For clarity, the national £3 rounding applies only to the full-time annual salary figures shown in the SNCT Salary Tables. The annual salary payable to part-time teachers is calculated as the relevant fraction of the full-time equivalent salary for the scale point and is not subject to a separate £3 rounding requirement.

Yours sincerely
